Accessibility

These checks highlight opportunities to improve the accessibility of your web app. Only a subset of accessibility issues can be automatically detected so manual testing is also encouraged.

Names and labels — These are opportunities to improve the semantics of the controls in your application. This may enhance the experience for users of assistive technology, like a screen reader.

▲ Buttons do not have an accessible name	~
▲ Links do not have a discernible name	~
Contrast — These are opportunities to improve the legibility of your content.	
▲ Background and foreground colors do not have a sufficient contrast ratio.	~
Navigation — These are opportunities to improve keyboard navigation in your application.	
▲ Heading elements are not in a sequentially-descending order	~
Additional items to manually check (10) — These items address areas which an automated testing tool cannot cover. Learn more in our guide on conducting an accessibility review.	ı ~

Progressive Web App

These checks validate the aspects of a Progressive Web App. Learn more.

Installable
 ▲ Web app manifest or service worker do not meet the installability requirements — 4 reasons

P'

PWA Optimized

<u> </u>	Does not register a service worker that controls page and start_url	~
A [Does not redirect HTTP traffic to HTTPS	~
ı	s not configured for a custom splash screen	
A	Failures: Manifest does not have a PNG icon of at least 512px, Manifest does not have `background_color`, Manifest does not have `theme_color`.	~
<u> </u>	Does not set a theme color for the address bar. Failures: Manifest does not have `theme_color`.	~
	Content is sized correctly for the viewport	~
• I	Has a <meta name="viewport"/> tag with width or initial-scale	~
• F	Provides a valid apple-touch-icon	~
<u> </u>	Manifest doesn't have a maskable icon	~
Addi	tional items to manually check (3) — These checks are required by the baseline PWA Checklist but are not	~
	matically checked by Lighthouse. They do not affect your score but it's important that you verify them manually.
